DRAFT FOR COMMISSION REVIEW

1. Introduction

The Commission has examined the ARR Approval Order and the Truing-Up Petition submitted by Kerala State Electricity Board Ltd for the relevant year. This draft order records the Commission's review of approved ARR baselines, actual audited figures and claimed amounts extracted from the uploaded documents.

2. Statutory Provisions

This draft order is issued pursuant to the KSERC Multi-Year Tariff Regulations and the Electricity Act. The Commission has applied applicable regulatory provisions in examining the Petition and the approved ARR.

3. MYT Framework References

The analysis follows the KSERC MYT framework for the control period, including normative treatment of revenue gaps, cost categories and SBU-level performance.

4. Petition Summary

The Petition filed by KSEB Ltd has been examined for consistency with the approved ARR baseline. The extracted actual audited values total ₹1,805.00, while claimed amounts total ₹1,805.00. 2 line item(s) are proposed for preliminary approval and 1 item(s) require detailed officer review.

Summary	Amount
Approved ARR Baseline	₹1,700.00
